# Hearts For Kids

## ***\*HIS RADIO'S "HEART FOR KIDS"***

### **Brightening Little Hearts with Valentines**

**Wednesday, February 5 - 6:30 - 7:30 pm (CFC)**

*"For a kid, being sick and in the hospital on Valentine's Day is about the worst thing to deal with. As we remember the joy of what Valentine's Day has always brought to all of us as children, HIS Radio's annual "Hearts For Kids" will again reach out with a simple way to express the love of Christ to these little ones. Every sick kid who has to be in the hospital on Valentines Day will not be forgotten this year.*

*HIS Radio teams will deliver cheer packets of homemade Valentines Cards and fun goodies to the children's wards at area hospitals:*

**RoS will be making homemade Valentine's Cards for children in various NC Hospitals. ROSBC will provide the necessary materials for you to design several cards and you may bring your own craft supplies:**

**I E: Colorful Construction Paper and Multi-colored Markers**

## **GUIDELINES:**

Here are some tips and requested guidelines as you're preparing your homemade cards:

- --Wish the child a Happy Valentine's Day
- --Please make your cards "gender neutral"
- --Custom create original, "homemade" cards which come from your heart.
- --Make your card cheerful, creative, and uplifting. **Spend some time and thought on them!**
- --Let the child know you are thinking of them
- --Tell the child you hope this helps put a smile on their face

*Because children will come from a wide variety of social backgrounds and medical histories, the hospitals have also requested the following consideration that you keep in mind:*

- --No religious references such as "God Bless You", "I'm praying for you", etc.
- (this is a HOSPITAL policy that HIS Radio has agreed to abide by)
- --No manufactured or "store bought" cards, please
- --**NO GLITTER of any type** or **loose attachments**
- --No references to "get well" or "hope you feel better", No candy, No toys, No envelopes
- --Please don't include your personal contact information
- --We can also receive a portion of cards in Spanish, which will benefit Hispanic children

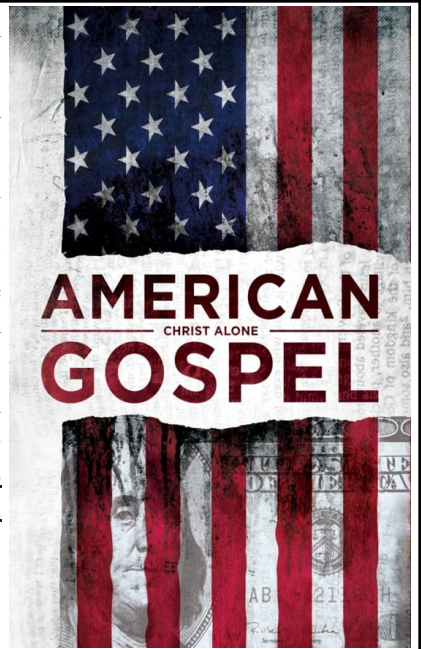

What happens when we mix the American Dream with the biblical gospel?

Does Christianity = Christ + the American Dream?

Starting **Sunday February 23rd** we will launch a new film and discussion series based on the movie *"American Gospel: Christ Alone,"* in order to explore these questions and how the Word of Faith movement has twisted the gospel message.

This is a free event but we ask all interested individuals to please sign up in the Connection Center. The first of these discussions will take place February 23 at 6:00 pm in the Youth Building.

See Jonathan Hendrickson for more details or email [rosbcpastors@gmail.com](mailto:rosbcpastors@gmail.com)
